### ***Purpose:***

The purpose of this Constitution is to establish the regulating procedures of AP Giannini's Journalism Club and serve as the primary document containing information regarding the mission statement, position titles and responsibilities, members, and general operations.

### ***Mission Statement:***

We, the members of AP Giannini Journalism Club, will use our platform to celebrate and center the AP Giannini community. Our club seeks information based on integrity and honesty to share with the community via our website, flyers, and much more. Being that we, the club members, are part of the AP Giannini community, we also prioritize expressing and sharing our creativity.

### ***Positions & Responsibilities:***

*Advisor - Nikki Magallanes*

As advisor, I provide administrative support to the club, assisting them in co-creating the foundation and future of Journalism Club. I provide a space for the club to create and collaborate both physically and virtually while also being hands on with guiding their process for creating to the best of my ability.

*President - Mars Bhalla*

As President, I will collaborate with the Vice President to discuss deadlines, editing, publishing, etc. We also have the intention to talk to the principal and share ideas and concerns, as well as running meetings eventually.

*Vice President - Ella Hutchison*

TBD

*Secretary - Mauricio Becerra*

As secretary, I will take notes at each meeting and share them with the club members at the next meeting. I also want to take on the role of club representative, answering any questions or spreading club news. I would also speak with the president or vice president to ensure that everything is running smoothly and go over my notes with them.

*Head of Accountability & Wellness - Lauren Rehling*

The consistent task I want my role to have is check-ins on work progress. This is also my special task. I work with other roles by organizing who does what. My role will also serve as the supporting role in ensuring that meetings run smoothly and that folks sign in as they arrive.

*Head of Communications - Charley & Emerson*

TBD

*Director of Ideas - Vivi Lozano, Mel Berkman, & Emma*

Emma - As one of the Directors of Ideas, I contribute to the journalism club by brainstorming topics that our club could write and interview about. I will frequently prioritize coming up with new ideas and get input from everyone in the club to see what everyone's current ideas are. One person's train of thought can lead to tons of other ideas. I understand that even though I am considered one of the Main Director's of Ideas, everyone else's input matters too. I will focus on elaborating on our visions and ideas for our writing and interviews. This is what I will do as one of the Directors of Ideas.

*Interview Facilitator - Everyone*

As interviewers, we seek to follow the guidelines co-developed by the advisor and ourselves in an effort to explore various topics via interviews.

*Club Representatives - Emily Truong & Audrey Lozano*

As club representatives, we maintain our positions by being present at meetings and supporting wherever necessary.
